Inspire Motivate Collaborate

Leading with Emotional Intelligence

Bobby Moore

Item #1385—Retail \$27.00—NMSA Member \$21.60
2009—124 pages—978-1-56090-229-4

"In this immensely practical book, Dr. Moore makes the case that emotionally intelligent leadership is the priority, and that other priorities will never be accomplished without a consistent and thoughtful application of the components of these essential leadership practices."

***—Douglas Reeves, Ph.D.
Leadership and Learning Center***

Author Bobby Moore, describes how school leaders can establish successful relationships, lead change, and deal with emotions in turbulent times to cultivate cultures of excellence in their learning communities. Case studies, self and staff assessment tools, and guided questions for study and reflection make this a complete self-study guide on emotional intelligence.
